

Gethsemane Greenville - PrayerCenter Prayer Requests

Loss

Request	Requester
<p>Pastor Rand and Andrea have lost their son. We know God works things for good to them that love Him and are called according to His purpose. We must pray and trust that God will use this painful situation to bring many souls to Christ and to save others from this type of pain. When a child chooses to take his own life we know the author of confusion has gained a foothold, so today we rebuke the enemy and speak wholeness over the Bentley's and the Lifehouse of Worship Center.</p>	<p>An anonymous requester</p>
